Q: Why PHIT?

- 1. PHIT promotes healthy, active lifestyles to prevent illness.**
- 2. Cultural change starts with the young and the U.S. has the least active generation of children ever.**
- 3. PHIT helps lower the cost of fitness and other physical activity program expenses for adults.**
- 4. Active parents are six times more likely to have active kids.**

Culture change starts with children and cost is the biggest barrier to youth activity.

A: Physical Activity Prevents Illness

PHIT gives consumers the option of using their pre-tax medical funds for physical activity to promote health.
