

Boost sales and track your success with Mindbody Payments

Sell more classes and appointments in person and online with one powerful, integrated payment platform. Increase revenue by processing/accepting payments wherever you and your clients are.

Grow your business with a complete payment solution.

Simplify checkout

Enable your customers to pay when, where and how they want, with any major credit card via your Online Store, the Mindbody App or your Branded App.

Streamline operations

Avoid manually collecting and reconciling membership fees by setting up automated recurring payments.

Track Everything

Instantly view every client's payment history, track your revenue with intelligent reports and quickly spot trends in sales numbers.

Card Not Present
(online, mobile, manually
keyed, and recurring)

starting at 3% + AED1 per transaction
