

# 8 Features You May Have Missed in 2019

While you connect the world to wellness, we constantly strive to provide solutions that help your business run more smoothly. It's not too late to take advantage of these features and hit your goals in 2020!

## MARKETING SUITE

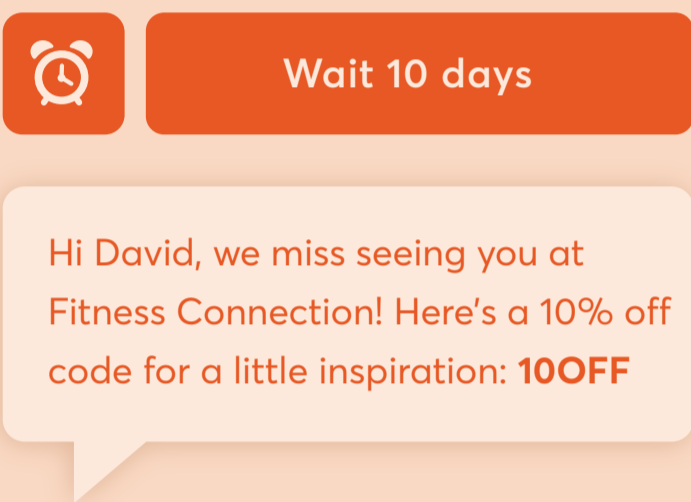

*Grow your business*

Easily attract new clients and keep them coming back with a fully integrated marketing suite in your MINDBODY software.

\*Offered in Accelerate and Ultimate 2.0

## Automated Text Campaigns

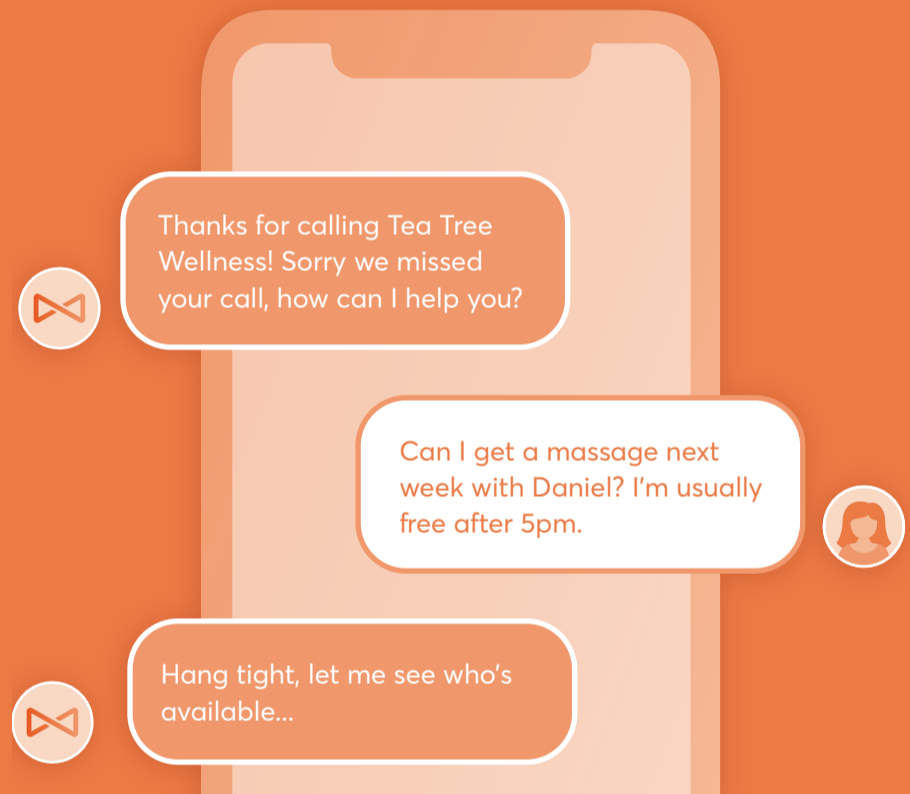

Win back lost clients with personalized messages delivered in a way they'll love.

\*Available in select countries

## Offers in Campaign Builder

Create effective and targeted offers that make it easy for clients to purchase your services.

## BOWTIE

*Never miss a booking again*

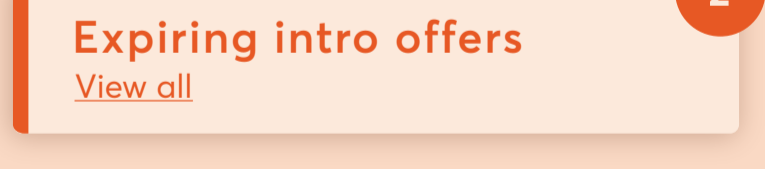

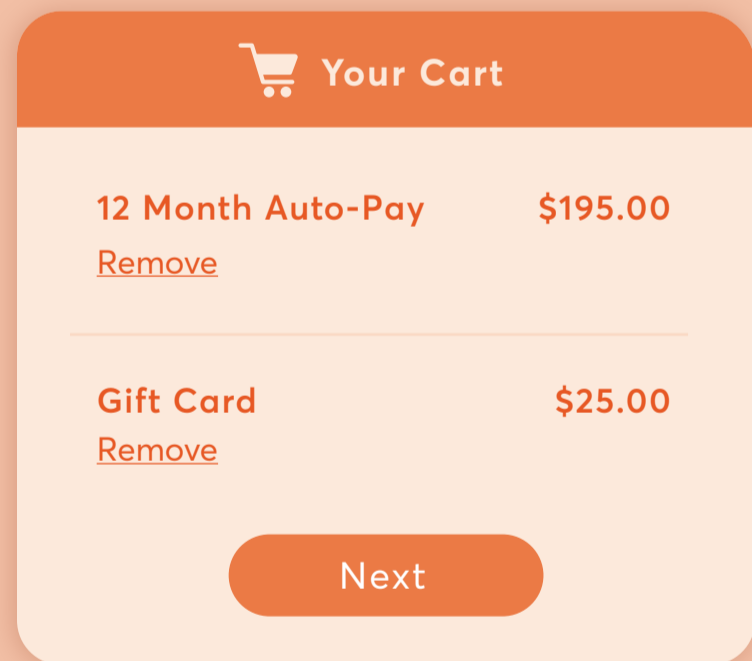

Turn missed calls into paying clients by automatically texting back any client who calls when you're unavailable.

\*Bowtie is currently only available for appointment booking in the US and Canada

## BRANDED WEB Contract and Gift Card Links

*Enable effortless online purchases*

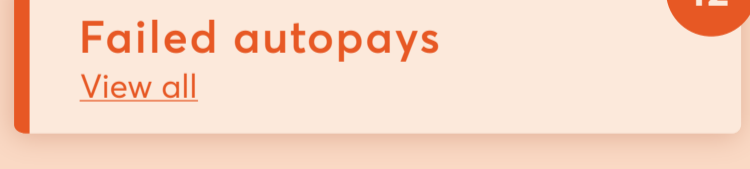

Generate consistent revenue by letting your clients purchase autopay memberships and gift cards directly from your website.

## EXPIRING INTRO OFFERS ALERT

*Retain new clients*

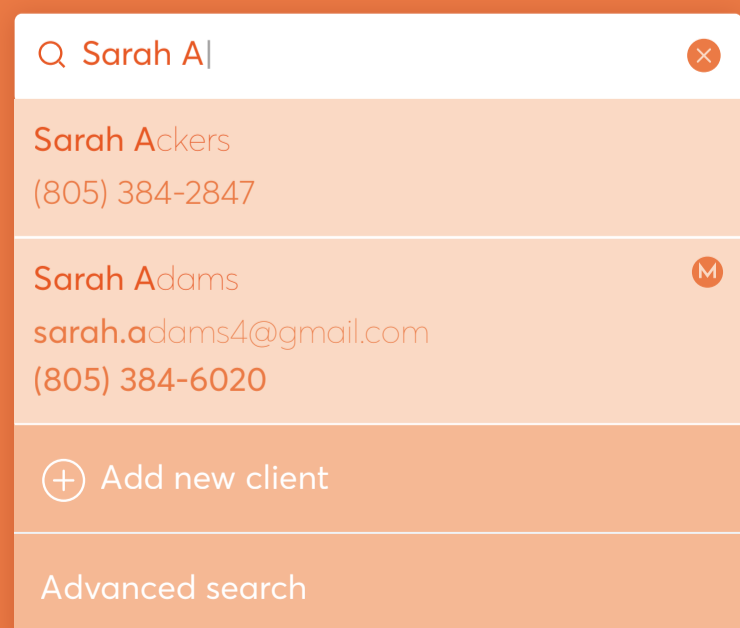

Know when to reach out to new clients and convert them into loyal members

## FAILED AUTOPAYS ALERT

*Never miss a payment*

Make sure your clients' payment information is always up to date.

## CLIENT SEARCH

*Search smarter, not harder*

Quickly search and find the correct client using multiple sources of information like their first name or last four digits of their phone number.
