Mindbody Capital is a better way to fund your growth

While big banks reject 81% of small business applications,* we see your actual performance. We've already advanced millions to businesses like yours who want to access the cash they need without the hassle of traditional loans.

- Offers are designed for speed and flexibility
- Accept as much (or as little) as your business needs
- Seize exciting growth opportunities as they arise

What could you achieve with more capital?

- Hire new talent or retain stellar staff
- Expand your offerings or invest in new technology
- Get a head start on opening a new location

Mindbody Capital, powered by Parafin, was designed specifically for fitness, wellness, and beauty businesses. It's fast and flexible—you can put funds toward whatever fuels your next chapter.
